"Get ready for a full day of mind-blowing, jaw-dropping, heart-racing workshops, demonstrations, activities, competitions and keynote speakers at The Art Institute of Vancouver's ARTimation Media Arts Festival. Taking place on March 1, 2008 from 11am to 11pm at the Rocky Mountaineer Station in Vancouver, ARTimation will feature the areas of gaming, animation, visual effects, film, and recording arts – all of which are creative programs offered at The Art Institute's Burnaby campus. ARTimation will host three exciting competitions, the Canadian High School Film Festival Competition, Game Concept Competition, and Character Art Competition. For more information about ARTimation visit [www.artimation.ca](http://www.artimation.ca)."
